MSOSA Executive Committee (2022-24)

PRESIDENT'S MESSAGE

Dear Modernites,

It is my honour and privilege to take over the reins of MSOSA, as the President for the term 2022-24. During this term we will work towards building a stronger and more comprehensive alumni network, especially as things open up post COVID.

For me, MSOSA is an embodiment of Modern unity, a thread that binds us to our school & teachers and, most importantly, to the spirit of giving back to society. In the words of Sir Winston Churchill, "we make a living by what we get, but we make a life by what we give"; and it is in line with this spirit, that I hope we will be able to introduce some new initiatives.

Furthermore, we hope to engage with the current Modern School students through a series of inspiring lectures by Modernite stalwarts from various walks of life. Additionally, MSOSA will work on building a programme that will help the current students to get mentorship from Modernite achievers.

Another aspect I hope to bring forth during my term is a focus on art & culture. Across MSOSA events, we will endeavor to include & encourage traditional Indian art forms to create awareness and promote them amongst Modernites. This term we will also celebrate 75 years of India's Independence and the contribution of Modernites in nation building.

I look forward to an exciting term with great participation from all Modernites!

Rohit Jain
President, MSOSA

Gurupranam - Teachers' Day Celebration

MSOSA has been committed to serving those who have shaped our lives. Over the last few years, through the Gurupranam initiative, MSOSA volunteers have reached out to teachers with the aim to ensure they are well taken care of. This year, on Teachers' Day beautiful potted plants were sent to our gurus as a token of our love, respect & gratitude.
