President's Message

Dear Modernites,

Happy New Year!

2023 was a year of many firsts and overwhelming participation for MSOSA. We connected with over 18,000 Modernites across various events.

For us at MSOSA, our core belief is that every child should have access to quality education.

Through our events and through the enthusiastic participation of Modernites, we contribute to the Modernites Trust and support the education of students from economically weaker sections in Modern School Barakhamba Road.

At MSOSA, we are also committed to ensuring that we contribute to the welfare of our retired teachers. From hosting regular Gurupranam events to meeting our teachers at their homes to assigning volunteers who can help teachers, we in our own small way are taking care of those who shaped our lives.

As we enter a new year, we will continue these commitments with renewed fervour and I hope every Modernite will support our endeavours!

Lastly, I want to thank the stellar MSOSA team for working tirelessly throughout the year to make every event a grand success.

Regards
Rohit Jain
President, MSOSA
